**Over 2,000 Chicagoland/
DePaul students found
Huskie MicroFridges
the Smartest Choice.**

**Unit is pre-placed in your room
before you arrive.**

**Why you now don't have to bring a fridge
or oven from home if living in the DePaul
residence halls.**

A good number of the 2010 sophomores and other upper classmen will chose to make the move to the beautiful university or to private apartments. So there is no need to buy fridges & ovens for just 1 year. It's cheaper to rent & split cost with your roommate, if you continue to stay in the Residence Halls, also Huskie offers the Sweet Purchase Option with a 2-year full warranty.

**Why renting a Huskie MicroFridge is the
most cost effective and hassle-free choice.**

We pre-place your MicroFridge in your DePaul room before you move in and the fridge is cooling and waiting for you. Plus we pick-up free of charge in the Spring.

So you have no moving or service hassles, AND you get a fridge placed in your room and a real zero degree with separate freezer, and a microwave oven attached to the unit.

Also a BIG PLUS is no service worries, if unlikely malfunction occurs, we replace it promptly.

Plus you split your Super Microfridge rental cost with roommate, comes to only \$92.00 rent each for the entire academic year.

If you chose to stay your sophomore year in the halls and like your rental fridge, you may use Super Purchase Option, for Super Fridge \$109,

MicroFridge 3 cu. ft. just \$95 in the Spring of 2010 and you own it. You also get our **2-year full warranty that covers everything.**

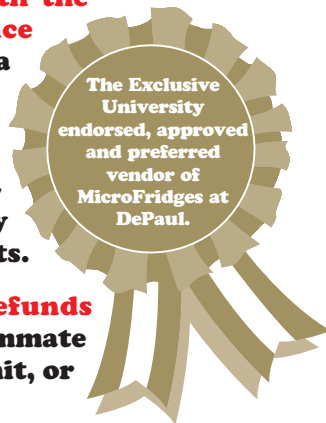

Many DePaul returning residence hall students do chose the Super-Low Purchase Option price, which comes with an additional 2 year warranty.

So there is no cost effective reason to buy a unit (without a real freezer) and lug it back and forth from home, when the Huskie choice saves you money, hassles and more options.

The store purchased units only come with a one year warranty, **Huskie has a 2-year full warranty**, you rarely find the real zero degree freezer. They are nowhere near the quality of the Huskie MicroFridge and offer no real service package, only minimal warranties.

**The Rental Microfridge makes
the DePaul Lifestyle ...
the Next Best Thing to
Living at Home**

- **Order by Aug. 31st** and your product is in your room chillin, just waiting for your arrival. Save money by pre-reserving also.
- **Two great Huskie models to chose from.**
- **Sweet Purchase Option** available in the Spring 2010 with a 2-year full warranty.
- **Huskie works with the DePaul Residence Hall Council and a generous portion of the proceeds go to the DePaul RHC's varied activities enjoyed by all DePaul students.**
- **Prompt, full refunds should your roommate order or have a unit, or for any reason.**
